Dear Grandma & Grandpa,

Hi: I got your letter & I

got the algebra question

I did it but I didn't use

algebra because it was to hard.

save the question so that you

can show me how when I

get back. Yesterday we had

6 girls here, Heidi & Shelly

spent the night the night before

last night & we took care

of Amy & April because their

mom was going into town.

On Monday we saw Out of Africa  
it was good. On Friday  
we went to Spokane, it was fun.

Monday we rode Heidi's  
Horse, Tim. Julie & I both  
trotted her, while her mom  
was holding on.

Well I better go

bye

Miss  
you

Love

Liane
